# THE PRESIDENT'S CORNER

Alumni, Friends and Benefactors,

I hope this note finds your summer relaxing and less hectic than life in the normal world. I am happy to report that life at SJC is as active, productive and enjoyable as ever. While it is strange not having the undergraduate students around for the summer, we continue to host basketball and band camps for the season. In addition to some 2800 of these visitors, we also have our summer liturgical music program in full swing (pun intended).

The best news of the year is our recent good fortune with the Kresge Foundation. Saint Joseph's has been awarded a \$450,000 challenge grant for the construction of the Rev. Charles Banet Core Education Center. By the time you receive this note I anticipate that the Board of Trustees will have set a groundbreaking date. Rest assured that you will be informed.

This grant marks the final phase of our Centennial Campaign - specifically it marks the **beginning of the beginning** of our academic strategic efforts for the Year 2000. We will build a new academic building on campus for the first time in 80 years; we will house a new core auditorium, an addition science lab, an additional computer lab, a mini-lecture hall, ten classrooms and over 40 faculty offices. It will be the crown jewel of the campus that we have all planned and prayed for....for ten years. **Please watch your mail** with our announcement for a gift opportunity to have your name memorialized on a foundation brick or auditorium chair. We hope to have 1000 alumni respond to our "final brick" efforts to assist us in meeting the Kresge challenge grant.

Please take special note of two new key players on the SJC administrative team. **Mr. Lou Levy** has joined us as Dean of Admission, bringing almost two decades of professional admissions experience to SJC. **Mrs. Christine Primeau** has also been promoted to Director of Alumni and Parent Relations from her previous position at the College. I guarantee that Chris and Lou will revitalize everyone's interest in the *Alumni Recruiting Network*...they await your call - only if you want to work!! Please drop them a note or call with your willingness to assist in this vital College effort (Chris - 219-866-6123; or Lou - 219-866-6171).

On a personal note, MJ and I have recently enjoyed our several recruiting, friend raising and fund raising trips. MJ still has the refurbishing of the Lourdes Grotto on campus as her passion (under the watchful eye of Father Rueve). She has also chosen not to join me on a few Puma golf outings, suggesting that if no one is going to "throw that little white ball back after I hit it"...well, she just fails to see the fun. Personally, I would love to break 90....just once. Sean and Erica have completed a successful year; both have survived all of the dilemmas of having a dad who is both at school and home trying to be the fair presidential father.

The football team will open its season against Howard Payne University, outside of Austin, Texas, in September; the women's basketball team will have a new coach, as we say good-bye to the talented Keith Freeman. Baseball looks forward to another 30-win season for 94-95 and the reports I have received indicate that all of the other sports have had strong recruiting seasons.

Stay in touch. We know that over 10,000 Puma alums remember us in their prayers; sleep warmly knowing that each of you remain in ours.

Always a great day to be a Puma.

Skip Shannon  
President

# FROM THE DIRECTOR'S CHAIR

*Editor's Note: Chris Primeau is the new Director of Alumni Affairs and Parent relations. A native of Rensselaer, Chris has been on the staff at Saint Joseph's since 1981. She has served the Alumni Association Board of Directors as recording secretary and has worked with the Board in the area of Chapter Development. She has been responsible for the Annual Report of the President and has coordinated the annual President's Senior Dinner since 1981.*

*In 1989, Chris was named Administrative Assistant for Alumni and Development, expanding her duties for the Alumni Association. While serving as interim director, Chris was responsible for coordinating the largest Homecoming in SJC history – the Centennial celebration in 1991.*

*A member of the Saint Augustine Catholic Parish, Chris has three daughters, all of whom are married. Twin daughters Stacey Primeau Brickley and Stephanie Primeau Dobson graduated from SJC in May of 1993. Stephanie is married to Rob Dobson, SJC '91.*

*Chris will have a regular column in future issues of CONTACT*

I would like to take this chance to thank all of you that have called and written expressing their support for me in my new position -- a position that I'm looking forward to with great joy, anticipation, confidence, and yes, a little anxiety. In the 13 years that I've been in the Alumni Office I've come to know many of you. In the future, I plan to expand that circle of friends.

## **CHRIS PRIMEAU, NEW DIRECTOR FOR ALUMNI AND PARENT RELATIONS**

My direction and list of priorities for the future includes working with all alumni near and far to maintain the tradition of a close-knit Saint Joe family. In the past I've met many of you at functions both on campus and off and I want to get on the road to meet with you and plan some alumni get-togethers. We're not extremely concerned at this time with chartering chapters across the nation, but we do plan to initiate at least one activity per year in areas where there currently are few Puma alumni.

I also want to continue to foster a close working relationship between the Alumni Office and Admissions. We have renamed the ARC program, which now bears a name more closely fitting its mission: Parents Alumni Recruitment, reflecting the work of all alumni and parents. You can read more about PAR elsewhere in this issue of **CONTACT**. Another one of my goals will be to get the SJC job networking program up and going in conjunction with the Guidance and Placement Departments of the College.

I have new and exciting plans for the Parents' Association. I know first-hand what it's like to have children in college, and therefore I encourage current parents who have concerns and input to feel free to contact me and join our Parents' Council -- allowing you to have input into your child's life here at Saint Joe. While keeping the tradition of Parent's Weekend in October, February of '95 will bring about a very different "Mid-Winter Social." Be looking for more information in the near future on a very pleasant surprise!

My hopes are to create a solid relationship between Saint Joseph's College, alumni, parents and friends. I want to bring SJC to all of you via **CONTACT**, a visit from myself, the President, a faculty member or member of the C.P.P.S. community as well as to bring you to campus to see what we're doing here.

I am here to serve you. If there is anything I can do for you or if you're interested in Alumni Board membership, becoming a member of the Parents' Council, helping in recruiting or even coming on campus to a career fair, please don't hesitate to phone me at 219-866-6123. I need your input in order for me to better serve you. Let's keep in touch and go forward BIG TIME!!! GO PUMAS!

Sincerely,

Chris Primeau

# ALUMNI SPOTLIGHT

MIKE SCUDDER

Before large crowds and small. From some of the biggest and best gyms in America, to some of the smallest. These are the settings where Mike Scudder (SJC, Class of '70) plies one of the most unique trades this side of the Atlantic. Quite simply, Mike Scudder is the World's Greatest Free Throw Shooter. It's not a title to be taken lightly. In fact, Scudder puts the title where it counts most each time out: right on the bottom line. You see, he guarantees he will make 190 out of 200 free throws --or he doesn't get paid. That's right. If he misses 11 of 200 free throws, he has traveled, perspired, taught and shot for free. In an age when not even the best in the game shoot 90%, Scudder declares: I'll make 95% or I'll do it for free.

"This new career of mine grew out of a challenge from a couple friends a few years back," Scudder, a two-sport athlete at St. Joe, explains. "While watching a game on TV I said I could make 95 out of a 100 free throws. The guys with me said they had \$1,000 that said I couldn't. So the challenge was set."

Not wanting to have to make good on their bet, Scudder's buddies stacked the odds. They set up the challenge in a Fort Wayne youth detention center...and had Scudder line up in front of about 80 troubled youngsters to shoot.

"I got the biggest kid to rebound for me," Scudder, the father of four, recalls. "I then asked the rest of the kids to line up, 40 each, on either side of the free throw lane. I told them if they sat and listened to me while I shot the free throws I would buy them all burgers, fries and a coke afterwards."

The retired GTE sales-service manager proceeded to make 269 free -throws without a miss, all the while explaining the finer points of shooting to the youths. And just like that, a new career was born.

Today the Fort Wayne, IN., resident puts on 200 demonstrations a year while traveling from coast to coast and border to border. He teaches a method he calls TAP, which stands for Technique - Attitude - Practice.

"Don't rush the shot, elevate the ball, follow through," Scudder instructs his audiences. "Constant motion, concentration and consistency are keys to good free throw shooting."

Of the three key points of his method, Scudder says practice is the most important.

"I started out with ten in a row," Scudder says. "By high school my daily goal was 25 in a row. At St. Joe, it was 50 in a row. I told myself early that I wasn't going to get cut from the basketball team, sit on the bench, or not play because I couldn't make free throws."

Scudder's discussions with his audience touch upon much more than just an ability to shoot free throws.

"You can be, or do, whatever you want in this life," Scudder will advise. "But in order to reach your potential you must overcome the mental barrier that holds us back. That barrier is the six inches between our ears."

For Scudder, overcoming that mental barrier has meant a life full of accomplishment, from the time he formed his own computer software company just a few years out of St. Joe, until the day he retired from his job at GTE to become the "World's Greatest Free Throw Shooter" full time.

"I'll tell you this," Scudder concludes. "The time I spent at St. Joe was the best four years of my life. The atmosphere, the education and the friendship were things that money can't buy."

"St. Joe will challenge you to learn more than a vocation," Scudder states. "It will also ask you to grow spiritually and to be active in the community. When you get out of high school you grow from adolescence into adulthood. St. Joe is an ideal place for this because it creates such a well rounded person in spirit, education and community service."

Scudder's oldest son, Michael, 23, is a CPA with Ernst and Young of Fort Wayne, and a 1993 graduate of St. Joe. Other children include Susan, 21, an education major at IUPUI-Ft. Wayne, Cindy, 20, a beautician at Ravencroft school in Ft. Wayne, and John, 17, a junior at Dwenger High School in Fort Wayne. Scudder and his wife of two years, Carol, reside in Fort Wayne.

### SJC SPORTS HALL OF FAME ADDS THREE MEMBERS

Three new members, encompassing sports achievements in three separate decades, have been added to the Saint Joseph's College Sports Hall of Fame.

Fred Jones, Mike Murphy and Stan Kappers bring to 66 the number of former Puma athletes enshrined in the Hall.

Kappers '88, joins Puma legend Jim Thordsen as the only two athletes inducted in their first year of eligibility.

In 113 games, Kappers tallied 2028 points and added 742 rebounds. A two-time All-Great Lakes Conference selection, he was league Player of the Year in 1987.

Kappers is a nursing home administrator in Sidney, OH. He and his wife Lori reside in Centerville, OH.

Jones '48, earned three letters in football, two in basketball and three more in baseball at SJC.

In addition, Jones spent nearly 30 years as a teacher and coach at the high school level in northwest Indiana, earning legendary status among local sports fans.

Now retired, Jones and his wife Rosemary reside in Rensselaer.

Murphy '59 was a member of the 1956 National Championship Football team. A punishing runner and blocker, Murphy was described by Coach Bob Juaron as "the one player we could not do without."

Murphy is currently a school teacher at Wodburn (MA.) High School where he resides with his wife Julie.

*Steve McAleer '82 roars to victory in the first-ever Alumni Little 500 Race*

### ALUMNI RACE MAKES DEBUT AT 1994 LITTLE 500

While rookie driver Matt Day, a sophomore accounting-information systems major from Yorktown, IN., garnered the headlines as the winner of the 1994 Little 500, the eyes of Puma alumni were on Steve McAleer, '82, as he pulled away to win the inaugural SJC Little 500 Alumni Race.

"We're real happy with the way the race turned out," says Bruce Mathew, '87, Director of the College's Computer Services and Co-director of the Alumni Race.

"We've already begun plans for next year's race, with most of this year's seniors saying they'll be back next year to add to our field."

The race drew 11 alumni drivers, two of whom, Roger Merriman, '73 and Tom Messman, Sr., '68, competed in a motorized Little 500 for the first time. Paul Yoeman '72, came the farthest to return for the race, making the trip from Murry, NE., where he serves as a Major in the United States Air Force.

Alumni drivers (in order of finish) for 1994 were: McAleer; Tom Messman, Jr., '90; Mark Albrecht '84; Tom Messman, Sr.; Paul Yoeman; Roger Merriman; Bruce Mathew; Jon Messman, '90; Pat Conner, '92; Eric Mills, '92; and Father William Stang, '72.

### THREE ALUMNI RECEIVE HONORARY DEGREES AT 99TH COMMENCEMENT

Three Saint Joseph's College alumni and four members of the Class of 1944 were honored during the College's 99th Commencement Exercises May 9.

Longtime faculty member Dr. Ralph Cappuccilli (Class of '47), who retired from active service at the close of the 1994 academic year, and the late Dr. David Osterfeld (Class of '71) were presented with honorary doctorates by College President Dr. Albert J. Shannon. The first-ever Medal of Saint Gaspar, to be given annually to an alumnus of the College who has demonstrated a life-long commitment to Saint Joseph's, was presented to the late William J. Moriarty (Class of '61).

Meanwhile, continuing a tradition that began a year ago, members of the 50th reunion class were presented with certificates of special recognition. Those on hand to receive certificates from the Class of 1944 were: Bob Shields of Flossmoor, IL.; Donald L. Vogt, of Gurnee, IL.; Lloyd N. Monnin of Springfield, OH.; and Thomas G. Layden of Hoopeston, IL.

# 99TH COMMENCEMENT: NEW PRESIDENT, NEW LOCATION

## CAMPUS NEWS

"You can make a difference between good and bad," syndicated columnist Bob Greene told the 151 members of the Saint Joseph's College Class of 1994. "You can't do it all at once, but you can if you work at it one day, one person, one thing at a time."

Highlighting the College's 99th Commencement Exercises were two events: this was the first commencement for Dr. Albert J. Shannon as College President; and the exercises were held on the Chapel lawn under mostly sunny skies and warm temperatures.

Michele Crumm (Galesburg, IL.) and Valerie Townsend (Kentland, IN.) were Class Valedictorians. Crumm urged her classmates to "stay true to ourselves. To help others you must first have faith in yourselves. So I challenge each of you to find your own best friend: yourself."

Townsend, noting that she had been dreaming of graduation since her freshman year asked her classmates "to think about the goals you have accomplished so far, and those you will achieve."

Dr. Shannon shared his feelings with the graduates, telling them they would always be special to him because "you are my first."

## ILLINOIS NATIVE NAMED SENIOR OF THE YEAR

Michele Crumm, an economics/political science major from Galesburg, IL., was named the Saint Joseph's College Senior of the Year for 1994 during the College's annual President's Senior Dinner.

The daughter of Rebecca Crumm and the late Michael Crumm, Michele was selected from among a field of six finalists for the award.

Crumm, who graduated with a perfect 4.0 grade point average, told her classmates and faculty and staff members of the College, "My commitment to Saint Joseph's College is deep and long-lasting. I owe a great deal of who I have become to this institution and its faculty. I'm proud of my association with Saint Joseph's College."

## STUDENT ORGANIZATION WINS STATE PUBLIC SERVICE AWARD

Twenty years of self-motivation, dedication and the spirit of volunteerism by the Men of Gallagher Hall led to recognition by the Indiana Conference of Higher Education this past spring. During ceremonies in Indianapolis, the Men of Gallagher were presented with a State of Indiana Public Service Award.

The Men of Gallagher Hall are perhaps best known for their annual Gallagher Charitable Society Christmas Dinner, which brings upwards of 200 needy children from the surrounding areas into Halleck Center for gifts, food, games and a visit with Santa Claus.

In presenting the award, Louis C. Gatto, Director of the Indiana Conference Compact said, "Programs of this nature are a refreshing rebuttal to those who characterize today's youth as the 'me' generation. In reality, these young people exemplify the collegiate ideal of public service: 'Enter to grow in wisdom. Depart to better serve the country and mankind.'"

Members of the Gallagher Charitable Society receive their Public Service Award from Judge Robert Monfort, while College President Dr. Albert J. Shannon, Rensselaer Mayor Stephen Wood and Bill Maniscalco look on.

## NEW ALUMNI ASSOCIATION BOARD OF DIRECTORS

Bernard "Bernie" Balas is a 1957 graduate of St. Joe. He has been employed in various positions with the Internal Revenue Service since 1957, winning the Regional Commissioners Award in 1993.

Bernie previously served the Alumni Association from 1962 to 1974, earning the Alumni Service Award in 1974.

Bernie, whose wife Joan passed away in 1992, has three sons: Anthony, SJC '90; Andrew '92; and Edward '95.

Stephen Ligda is a 1962 graduate of St. Joe and is currently employed as Controller and Operations Manager of the American Association of Law Libraries.

Stephen and his wife of 28 years, Winnie, have four children, three boys and one girl, including Stephen, Jr., a 1989 graduate of SJC.

A 1971 graduate of St. Joe, Patrick Riha is Owner/President of Pat Riha Productions in Kansas City, MO., a special events production company for corporations and associations.

Pat and his wife Kate have one daughter, Jennifer.

In 1993, Kevin Sims, a 1979 graduate of St. Joe, was inducted into the SJC Sports Hall of Fame.

The owner of All-Star Trophy & Awards and All American Awards, Inc., Sims says serving on the Alumni Board "gives me the opportunity to give back some of the hard work and effort that the people at Saint Joseph's afforded me."

## Alumni Board Openings

The Board is seeking applications and nominations from alumni/ae who would be willing to serve on the Board or who wish to place other alumni/ae names in nomination. Former students from the classes of the '40s, '50s, and '60s are especially urged to respond in order to help broaden the Board's representation of these eras.

A fundamental responsibility of Board members is attendance at meetings on campus four times a year. Questionnaires will be sent to applicants/nominees to help the Board's nominating committee determine those qualified for membership. Further screening of applicants/nominees will be undertaken by this committee as warranted.

# FACULTY AND STAFF ADDITIONS

"I found that what I missed most as a college president was the academics," says Saint Joseph's new Vice President for Academic Affairs, Dr. Bernard Parker. "You can quickly lose track of the seasons in that job. I like students and working with faculty, so this job is a good fit for me."

Dr. Parker, who assumed his new post at SJC on February 1, filled the void left by the ascension of Dr. Albert J. Shannon to the College presidency last summer. Dr. Robert Garrity had filled the VPAA role on an interim basis.

A native of Alabama, Dr. Parker grew up in Arizona and California. A strong Catholic background, including time as seminarian in Ohio, has helped shape his values and make him the right man for the job as St. Joe embarks on a new era.

"I believe I bring several strengths to the job here at Saint Joseph's," says Dr. Parker. "First of all, I have a strong Catholic, philosophical and theological background. That gives me a good understanding of the Catholic values of this institution. I buy into that value system, and am interested in continuing to nurture those values in our students and faculty."

Dr. Parker earned a B.A. in Philosophy and Literature from Duns Scotus College in Detroit, graduating Cum Laude. He received his master's degree in Philosophy while serving as a Woodrow Wilson fellow at the University of Chicago in 1965. His work toward his Ph.D. was completed at Tulane University in 1968.

He has previously served as VPAA at St. Leo College in St. Leo FL. and as President of Saint Mary of the Plains College in Dodge City, KS.

Dr. Parker and his wife Paulette have two grown children: Paul, a health care consultant in Tallahassee, FL.; and Bernadette, a teacher of the severely handicapped in Lakeland, FL.

DR. BERNARD PARKER

## LOU LEVY, DEAN OF ADMISSIONS

"Saint Joseph's College is a place that people can proudly represent," says Louis Levy, the College's new Dean of Admissions. "People here are friendly, eager to help and willing to work together to make the institution a success and continue its long history of providing a quality education for its students."

Levy, on the job since mid-May, is a Wisconsin native, who most recently served as Dean of Graduate and Undergraduate Admission at the Florida Institute of Technology in Melbourne, FL.

"My first impressions of the College, its staff and faculty were good ones," Levy notes. "I think St. Joe is a unique place and we need to let more people know about it."

"A lot of good things have taken place here," he continues. "We'll take those positives and build upon them. I think there is a general feeling of optimism at the College right now, with a new president, and a new vice president. There's a general agreement the College is headed in the right direction."

An active sportsman, Levy lists golf, baseball and tennis as interests, with stints as a professional tennis player and assistant high school baseball coach in his past.

Levy and his wife Sally have three sons: Marc, a freshman at Indiana University; Matthew, a 10th grader at Angola (IN.) High School; and Scott, a 6th grader in the Angola system.

A 1967 graduate of the University of Wisconsin-LaCrosse, Levy added his master's degree from the same school three years later. In 1979 he earned his C.A.G.S. (Ed.S.) at Virginia Polytechnic Institute and State University.

"I really enjoy what I do," he concludes. "My goal is to make St. Joe's successful and we can do that by bringing in the right type and number of students, and serve them when they get here. I think we can put together a plan that will make St. Joe competitive."

LOU LEVY

## FOUR NEW FACULTY MEMBERS ADDED TO SJC STAFF

Dr. Bernard Parker, Vice President for Academic Affairs at St. Joe has announced the appointment of four new faculty members for the 1994-95 academic year.

They are: Jennifer Dugan Abbassi, assistant professor of political science, B. A. - California State, 1988, Ph.D. - UC-Riverside, 1994; Stephen Long, assistant professor of philosophy, B.A. - University of Toledo, 1976, M.A. - Toledo, 1978, Ph.D. - Catholic University of

# NEW ALUMNI CHAPTERS PLANNED

The Saint Joseph's College Alumni Association has announced plans to pursue the development of new alumni chapters throughout the United States. These chapters would be formal organizations completely controlled and run by local alumni.

St. Joe's has approximately 10,000 alumni spread out in diverse locations across the country. Chapters allow these alumni, as well as parents and friends of the College, to maintain contact with SJC and to allow anyone in a particular area with ties to St. Joe the opportunity to get together socially. Typical social activities have included the St. Patrick's Day Parade festivities in Chicago, golf outings, picnics, social gatherings before or after local sporting events, including those featuring PUMA teams when they are on the road, and dinners, often with a guest speaker from the College.

Additionally, chapters provide local alumni with networking base for many areas of interest, including career planning and job search, relocation support, educational or health matters, etc. Finally, it's an objective of all chapters to work with the SJC Admission Department with the Parent Alumni Recruitment (PAR) to recruit prospective SJC students at local high schools.

There are currently three formal chapters that have been established: Chicago, Indianapolis, and Louisville. The following areas have a substantial number of alumni and are thought to hold some potential for the establishment of additional chapters:

- \*Indiana (Northwest, Northeast, Southwest)*
  - \*Ohio (Cleveland, Toledo, Cincinnati/Dayton, and Columbus)*
  - \*Illinois/Missouri (Bloomington and St. Louis)*
  - \*Michigan (Detroit and Grand Rapids)*
  - \*Wisconsin (Milwaukee)*
  - \*Florida (Tampa and Miami)*
  - \*New York City metro area*
  - \*California (Los Angeles and San Francisco/Oakland)*
  - \*Virginia/Maryland (D.C. metro area)*
- \*Philadelphia (including southeast PA, and NJ & DE.)*
  - \*New England (CT, MA, RI, and NH and Boston)*
  - \*Arizona (Phoenix)*
  - \*Colorado (Denver)*
  - \*Georgia (Atlanta)*
  - \*Texas (Dallas/Ft. Worth and Houston)*
  - \*Minnesota (Minneapolis/St. Paul)*
  - \*Seattle/Portland area*

Starting in the next few months and continuing through at least 1995, the Alumni Association will be sending out surveys to alumni, parents and friends of the College living in these areas to determine the level of interest and to hopefully learn of those who are interested in helping organize the chapter. Please keep an eye on your mail and let us know what you think.

## PRECIOUS BLOOD COMMUNITY HOLDS GENERAL ASSEMBLY

Members of Society of Precious Blood, meeting in general assembly May 16-19, 1994, at St. Charles, Carthage, OH., voted to modify the name of the Province to **Missionaries of the Precious Blood**. In this change the Province returned to the concept of the founder of the order, St. Gaspar del Bufalo, whose initial idea was establishment of groups of missionaries, specializing in home missions and renewal of faith.

In other business conducted during the meeting of the Cincinnati Province, the Very Reverend Kenneth F. Pleiman, C.P.P.S., '62, was re-elected Provincial Director. Father James F. McCabe, C.P.P.S., '53, who also serves as Personnel Director, Secretary and Editor of Publications for the Province, was elected Vice-Provincial. Elected to the governing council were Fr. Clarence Williams, C.P.P.S., '73, Fr. William O'Donnell, C.P.P.S., '71, Fr. James Seibert, C.P.P.S., '72, Brother Joseph Fisher, C.P.P.S., '72 and Bro. Benjamin Basile, C.P.P.S., '70.

1994 marks the sesquicentennial anniversary of the founding of the Missionaries of the Precious Blood in the United States.

## PARENTS AND ALUMNI

Are you interested in assisting in the recruitment of students? Here's your chance to help. We have just established a new program at Saint Joseph's College to replace the Alumni Recruitment Corp (ARC) -- Parent Alumni Recruitment.

Due to the increasing interest of alumni and parents of present and past PUMAS, the number of volunteers was exceeding the program. Similar to the ARC program, volunteers will be asked in what area they would be interested in participating: phone calling or writing prospective students; referring students to SJC; serving as or assisting a college representative at a College Fair; or planning or attending a reception in your area for students who've been accepted to SJC.

We are adding incentives to the program and are currently seeking ways to encourage you to help keep us up to "PAR" with our enrollment numbers.

If you already have a '95 high school graduate in mind, please fill out the attached referral sheet in this issue of CONTACT -- have the prospective student fill out the application, fill out your section and return to the Office of Admissions. We will waive the student's application fee.

**Yes, I would like to be a member of PAR**

## 400 ATTEND FELLOWS DINNER

The Annual Fellows Dinner on June 5 was well attended, as it is every year, particularly area residents. Of the almost 400 guests, nearly 50% reside close to campus. This simply illustrates that commitment to the mission and goal of SJC is important to area residents, that they have supported the College in the past and continue to do so in the present.

College President Dr. Albert J. Shannon honored 97 new fellows, many created by friends and relatives. He thanked Jim Valentine, Vice-President of Development, soon to retire, for his long and devoted service to SJC's fiscal strength. Dr. Shannon honored him by making him one of the distinguished few to be called a "President's Fellow."

When Father Gross began the Fellows program in the early '60's, an open pledge of \$1000 filled the Fellows requirement. Now that pledge must be made over a three year period, with a \$15,000 pledge earning a Fr. Gross Fellowship.

## — "J.O.E." SUMMER OUTING — (Jasper, Owensboro, Evansville)

On June 25, 1994 Bill '50 and Katie Krodel opened their summer home on Deerwood Lake in Jasper, IN., to welcome over 30 alumni, parents and friends of Saint Joseph's College.

The afternoon and evening was positively gorgeous as both the weather and the setting was perfect. Father Charles Banet '50, SJC President Emeritus and classmate and long-time friend of Bill's, offered Mass in an outdoor setting. A catered buffet dinner of chicken and barbequed ribs followed.

*Father Charles Banet '50, celebrated Mass at the June alumni gathering in Southern Indiana.*

A brief program followed, beginning with the introduction and welcome of Chris Primeau, new Director of Alumni and Parent Relations at Saint Joseph's.

Dr. Albert J. Shannon, President of SJC, spoke on the present day College and the goals he has set for himself as president, noting that he and his wife, MJ, continue to enjoy the challenges and opportunities presented at SJC.

As noted elsewhere in CONTACT (see page 2), Dr. Shannon announced the receipt of a \$450,000 grant from The Kresge Foundation, which has the potential to complete the financing for the proposed Core Education Building.

Closing out the evening, Dave Eckerle '65, initiated a fun raffle of many St. Joe items such as: golf shirts, glassware, playing cards and assorted golf items.

For those who could not attend this casual, relaxed setting and camaraderie this year, plan on attending next year around the same time. You'll be hearing from the Krodel's once again.

Those attending were: Dick '41 and Liz Walker; Elbert '44 and Dorothy Walker; Mrs. Joan Hoffman (widow of the late Bernie Hoffman '43); Charlie '45 and Dee Brunning; Bill and Katie Krodel; the Krodel's daughter Donna and granddaughter Katie; Fred '53 and Pat Hollinden; and Jack '57 and Shirley Wilz.

Also: Joe Wolfe '64 and guest Mary Anne Payne; Dave and Lou Eckerle; Cletus '50 and Dottie Brosmer; Bob '70 and Barb Gutsell; Mike '82 and Cindi Meyer;

Also: Bob and Joy Leonard and daughter Jacqueline '95; Fr. Charles Banet; Mary Ann Meyer; Chris Primeau; and Dr. Albert J. and MJ Shannon.

## — DETROIT —

The Detroit Athletic Club was the setting for an April 12, 1994 reception/dinner for Saint Joseph's College President Dr. Albert J. Shannon. Under the chairmanship of Tom Madison '70, the first alumni dinner in at least five years was attended by a large crowd of alumni.

Surprises were in order for Skip, whose \_\_\_\_\_ birthday (to find out which one, you'll have to ask him, or more likely, MJ, because our lips are sealed) was celebrated on the same day. The Alumni presented him with a birthday cake that miraculously was sliced into enough pieces so all attending could have a bit.

Attending were: Harold Vanden Bossche '56; Bill Burkhardt '57; Leonard '58 and Arlene Ann Kasperowicz; Edward '60 and Carol Massura; Frank Rastigue '60; James Biernat '63; and James McGill '63.

Also: Dave O'Connor '63; Dennis Anderson '64 and guest Sandy Bradburn; John Knight '67; Lou '69 and Lindy Offer; John '70 and Elizabeth Kriegel; Tom Madison '70; and Michael Reisinger '70.

Also: Doug Monforton '71; Mark Nestor '71; Brother Hugh Henderson, C.P.P.S. '72; Jan (Garbon) Monforton '73; Father Clarence Williams, C.P.P.S. '73; and Don Nadeau '81.

Also: Janet (Burkhardt) Sprenger '81; Jim '84 and Julie Habrowski; Mark Madison '86; John Ryan '87; Kelley VanGilder '89; Allen Treado '91; and Sarah Engलगau '92 and her father Richard Engलगau.

Also: Steve Tastigue '93; Inge Erickson; Chris Primeau; Dr. Albert J. and MJ Shannon; and Cebie Smith.

.....

## — SOUTH BEND —

Art '61 and Bev Zielinski were the host and Art the chairman for a reception/dinner in honor of Saint Joseph's College President Dr. Albert J. Shannon on May 25, 1994, at the Morris Park County Club. It was a homecoming of sorts for the Shannons, who had lived here early in his teaching career.

Among the alumni and friends attending were: Father Daniel Peil '39; Edward Kolaczyk '58; Bob '61 and Bev Ramesh; Art '61 and Julie Zielinski; Tom Kuhar '64 and guest Mike Fitzpatrick; and John Krisch '80.

Also: Laura (Geary) '81 and Walt Ginter; Mary (Dlugosz) Krisch '81; Kristen Rice '93; Bill and Gayle Rozencrantz and daughter Holly '95; and Jim and Ruth Banner and daughter Susan '97.

Also: Father James Froelich C.P.P.S. '51; Fr. Dominic Gerlach, C.P.P.S. '46; Tia Glass '93; DeLea Johnson '93; Dr. Albert J. and MJ Shannon; and Cebie Smith.

## Gifts With Special Meaning

Often, families prefer, instead of flowers, to establish a memorial in the name of a deceased family member or friend. Such memorial gifts should be sent to Saint Joseph's College, Box 870, Rensselaer, IN 47978. The donor will be acknowledged and the family notified.

If the memorial is substantial, the family may wish to consult with a college official in the office of Development as to the best use of the money to befit a lasting memorial.

Gifts may also be made in honor of someone or to celebrate an occasion. A birthday present, for example, for one who has everything might be a named gift of \$50 to the library to purchase books.
